

deel.

Everything you need to scale, manage & pay your global team

Grow your worldwide team with the only global-first HR platform
made for any worker, any country.

Work's gone global but HR tools haven't kept up—until now

Having to piece together HR tools creates data silos, inconsistent experiences and extra work for global teams.

HR platforms used by HR to manage their global teams

Deel's the only global-first HR platform to compliantly hire, manage and pay any worker

Deel's the future of global HR, but it's a platform you can use today. It works for you and your team wherever they are, whatever their employment status.

Whether you want to hire worldwide without opening legal entities, streamline HR for your global team, or consolidate payroll for everyone, Deel does it all.

Deel's the future of HR

We help companies eliminate hiring borders—so anyone, anywhere in the world, can access new opportunities

Market leaders in global hiring and compliance

We're the only company with owned EOR infrastructure in 90+ countries. And our contractor product is the best on the market with 8+ withdrawal methods, perks, automated invoicing, and more.

A fine-tuned for international teams

We have years of experience in global compliance, the largest network of worldwide legal, tax, and accounting experts, and in-house visa support.

We guarantee the best quality and support

We don't rely on third parties, which means we guarantee top-tier service with our industry-leading Deel Speed.

The only free HR platform for anyone, anywhere

Deel's the only HR tool that evolves with every stage of your company's growth.

Unmatched automation and customization capabilities

We're the only platform with fully customizable settings for onboarding, payroll, contracts, and more. Plus, effortlessly integrate your other tools with our API to build custom workflows.

Trusted by 15,000+ businesses

SUPERHUMAN

Nupur Mehta

VP of Human Resources at Nium

Deel enabled us to achieve our mission to expand new markets in a faster turn-around time. I would say it saved us at least 12 to 24 months of effort.

Karl Schroeder

Head of Finance at Safety Wing

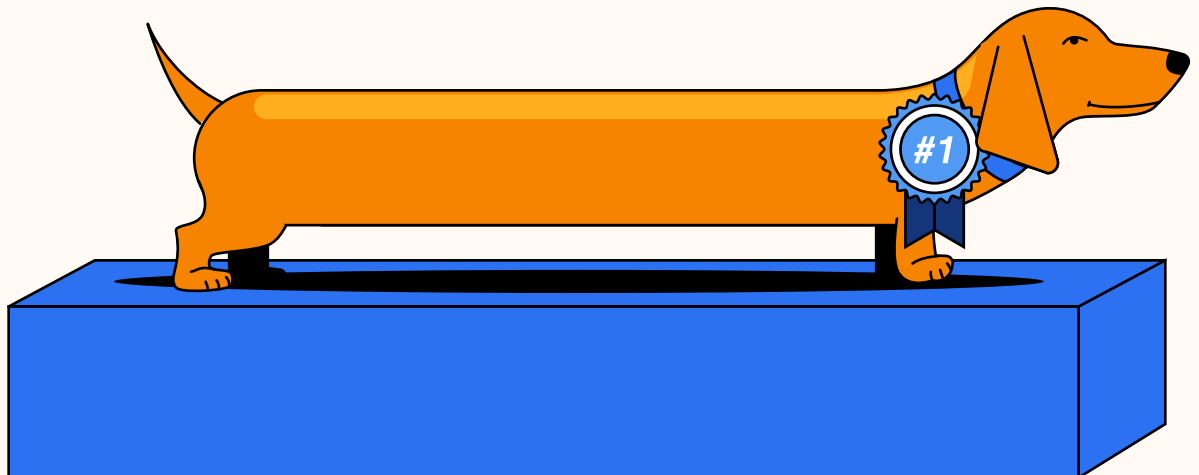

What made Deel stand out for us was the extreme focus on the customer and how friendly and easy it is to use the platform. Definitely the best I have seen in this category.

Luka Besling

HR Manager at Revolut

Through Deel, we've been able to hire more than 150 people so far, and we have also relocated more than 10 employees to countries like the UAE and Switzerland.
