# WE GROW YOUR LINKEDIN EXPOSURE BY LIKING RECENT AND RELEVANT POSTS

## SIGN UP

and configure your account. What kind of posts do you want to like? Do you want to focus on a specific country? Language?

## START THE SERVICE

We check multiple times a day if there are new posts according to your settings. If so, they'll get a like.

## YOUR PAGE GET NOTICED

Authors will be notified of your like and your page gets noticed. They will add you on LinkedIn and start engaging.

## REVIEW YOUR INSIGHTS

How many new followers did you gain? How many likes did you send out? What keywords could you use? You can find all of this on your personal dashboard.
